- Related Documentation

About this Guide

This document describes how SaaS customers of Kaltura MediaSpace™ (KMS) can activate the new MediaSpace version 4.5 features following an upgrade from MediaSpace version 4.0. Refer to the *What's New in this Release* section of the Kaltura MediaSpace 4.5 Release Notes for feature descriptions.

> **NOTE:** You perform the procedures described in this document on the Configuration Management panel of the Kaltura MediaSpace Administration Area.

> **NOTE:** Please refer to the official and latest product release notes for last-minute updates. Technical support may be obtained directly from: Kaltura Support.

Contact Us:

Please send your documentation-related comments and feedback or report mistakes to knowledge@kaltura.com.

We are committed to improving our documentation and your feedback is important to us.

Audience

This document is intended for Kaltura MediaSpace site administrators.
